## **BODILY INJURY**

The insured operated a Mobile Home Park and in order to control the speed of traffic within the community installed speed bumps. One day an elderly resident within the community was walking down the street and did not see this speed bump and tripped over it. The resident suffered several injuries including a broken hip. The incurred loss for this claim totaled \$39,785.

## **PROPERTY DAMAGE**

An employed maintenance worker at a Mobile Home Park broke the window of a mobile home within the community when a stone was thrown by the lawn mower being used to maintain the property's lawn. The cost to replace the broken window was \$1,928.
